

Scholarship Opportunity for High School Seniors

On behalf of Cincinnati Music Theatre (CMT), I am pleased to announce the **2015 CMT Scholarship Program for High School Seniors** in the Greater Cincinnati area.

Cincinnati Music Theatre is an all-volunteer, non-profit organization dedicated to the encouragement and production of outstanding non-professional musical theater while, at the same time, providing on-going educational opportunities in musical theater for adults and children of all ages. We share our time and rich talents with each other and with our audiences because we love musical theater.

The goal of CMT's Scholarship program is to give back to the Greater Cincinnati community for its continuing support of our organization over the years by recognizing and rewarding outstanding high school performing arts students. To this end, CMT will provide up to two \$500 scholarships to Greater Cincinnati area high school seniors who will major in Theater/Musical Arts at the collegiate level (Performance and/or Technical/Stagecraft).

Attached you will find:

- an Overview of the CMT Scholarship Programs and Requirements
- an Application Form and background information on the Cincinnati Music Theatre organization.

Briefly, the selection process consists of three parts:

1. the enclosed application must be completed and returned by the May 5th, 2015 deadline;
2. the CMT Scholarship Committee will review the applications and select the top candidates for:
3. an audition (performance emphasis) or interview (technical/stagecraft emphasis) with the CMT Scholarship Committee at the Aronoff Center (scheduled for Friday afternoon, May 15th, 2015).

The winner(s) will be announced by the end of May.

Please forward these materials to your high school seniors who may be interested/eligible and are planning to pursue further education in the fields of Theater and Musical Arts. Also, if you have an area on your school web site for scholarship information, please post this. If you would like hard copies of this material, just reply to this email and I will gladly put them in the mail to you.

If you have any questions on the program or our organization, or need more materials to distribute, please do not hesitate to contact me.

Thank you!
